

## CONSEIL DE LA NATION MICMAC DE GESPEG

# JOB OFFER

## FISHER HELPER (LOBSTER)

The Nation Micmac de Gespeg is looking for a fisher helper for the 2024 season to join the crew on a lobster boat operating a community commercial licence in the St-Georges-de-Malbaie area. Under the supervision of the Director of Fisheries and the Captain, the selected person will be required to participate in all required tasks on a fishing vessel.

### Key responsibilities of the fisher helper

- Arrive on time for all fishing departures
- Prepare and release cages and catch lobster
- Actively participate in the maintenance, repairs and storage of the boat and equipment
- Various other tasks on the boat

### Requirements

- Priority will be given to members of Gespeg
- Any fishing experience that includes trap fishing will be considered
- Marine Emergency Function (MED), Marine First Aid and other Transport Canada requirements will be considered assets
- Attendance and punctuality
- Good mood and ability to work in a team
- Day, evening, night and weekend availability
- Excellent physical condition and ability to work long hours in harsh weather conditions
- Not to suffer from seasickness
- Be able to drive or be driven to the harbour

### Key Personal Qualities

The ideal candidate has good interpersonal skills and enthusiasm for work. He/she is reliable and punctual.

### Location

St-Georges-de-Malbaie

### Salary

Based on experience and skills

### Working conditions

14-to-16-week contract with possible renewal the following year

Expected start date—beginning of April.

If you are interested in this challenge, send your application package (CV and letter) to the attention of Benoit Trépanier, Management and Communications Consultant, before March 14 at noon.
